

OFFICE OF THE GOVERNOR

JIM GIBBONS
GOVERNOR

Nevada Energy Commissioner

The Renewable Energy and Energy Efficiency Authority is seeking qualified applicants for the position of Energy Commissioner. This is an unclassified full-time position within Nevada state government and based in Carson City. The position is appointed by and serves at the pleasure of the Governor.

The Commissioner is responsible for, but not limited to, planning and directing the activities of the Authority; developing and managing program budgets, policy and procedures, and goals and objectives for related programs; supervising staff; granting partial abatements of property taxes and local sales and use taxes to certain renewable energy facilities; administering the Renewable Energy Fund, gifts, and grants; and adopting certain energy efficiency and renewable energy regulations.

Recruitment open to: All qualified candidates; résumés and the Application for Boards and Commissions will be accepted until **August 24, 2009**.

Qualifications: Per statutory requirements, applicants must have experience and a demonstrated expertise in one or more of the following fields: financing of energy projects; energy generation projects; energy transmission projects; professional engineering related to energy efficiency; or renewable energy. The desirable candidate should possess strong verbal and written communication skills; administrative and supervisory experience; financial/accounting skills to manage the agency budget.

Compensation: Up to \$117,030 annually. This salary amount does not reflect a reduction from the required furlough. Salary will reflect applicant's level of experience and is based on contributions by both the employee and employer. An employer-paid retirement contribution plan is available with a reduced gross salary. The State of Nevada offers an excellent benefits package that includes a retirement system, paid health, vision, dental and life and disability insurance; 11 paid holidays; and paid sick and annual leave. Other employee paid benefits such as a deferred compensation plan are available.
